# 1 in 2 families struggle to provide clean diapers for their baby

**Families make about 12 diaper changes each day for infants and 8 changes for toddlers, costing \$80 to \$100 per child each month.** (National Diaper Bank Network 2023 data)

In 2025, New Day Center gave out more than 30,000 diapers to low income families who are struggling to pay for housing, rent, medications, childcare and the many other necessary family expenses.

## Here's how you can help

Host a diaper and wipe drive  
(use a Thrivent Action Team Kit to boost your results)

Hold a fundraiser to buy diapers and wipes  
(again, consider a Thrivent Action Team Kit)

Purchase diapers and wipes yourself and drop them off at the Center,  
or make a cash donation and we'll do the shopping

**Please help New Day parents keep their babies clean, dry and healthy**

*He said to them, "Because of your little faith. Amen I tell you: If you have faith like a mustard seed, you will tell this mountain, 'Move from here to there' and it will move. Nothing will be impossible for you."*

Matthew 17:20

A New Day client recently drew this Bible verse from our Verse Jar. As we talked about the verse, she said this was the same verse God had placed before her at church the prior Sunday. It became apparent she was confused about how good works impacted faith. Matthew 17:20 clearly tells us that nothing we do relies on our own works, and that God, through our faith as tiny as a mustard seed, makes even the impossible, possible. How comforting to know that with faith we can do all things. We can put our troubles, our joys and our hope in heaven, knowing our faith is in the God who can "move mountains!"

How appropriate to know this in the Easter season, when our heavenly Father did what was impossible for us to do, sending the perfect sacrifice to atone for our sins. Jesus' death and resurrection won for us the "not guilty" on our record. With faith as tiny as the smallest mustard seed, we can be confident that our names are in the book of Heaven. What a reassuring thought!

New Day Center is blessed to proclaim this Good News to all who walk through our doors. We welcome your monetary donations to support the important work of sharing HIS word along with our parenting education and material assistance. Through you, God makes this possible!
